

Paradis de la Cuisine

Company history

- Established in 2020, YH Creation launched the brand « Paradis de la Cuisine » with the purpose of introducing high-quality products made from traditional European fabrics
- Starting with aprons, the product range keeps on expanding, leveraging the uniqueness of the fabrics for various home items

Company philosophy

Originality - Original fabric from France and other materials sourced from Europe

Uniqueness - Innovative design, focus on practicality

Customer first – Engaging customer experience, attention to detail

Quality – Fabric made in Europe, finished products manufactured in Europe or Korea

High value – Reasonable but high-end pricing, reflecting the quality of the materials, the attention to details in manufacturing and the uniqueness of the products

Respect of environment – Eco-friendly packaging
